

Sanzhar Karibay

DATA SCIENTIST

CONTACTS

Location:

Astana, Kazakhstan

Phone number:

+7 776 819 08 02

Email address:

karibay.02@gmail.com

PERSONAL SKILLS

Team-player

Creative and critical thinking

Communicative

Patient

HOBBIES

Self-Development

Playing guitar

Watching movies

ABOUT ME

I am always energetic and positive person. Even though I take my work seriously. I am committed to learning new skills and self-development so that I can consistently achieve better results.

My credo:

If you know how - do it, if you do not know how - learn and do it.

If you do it, then do it honestly

BACHELOR

Astana IT University

2020 - 2023 | Software Engineering

EDUCATION

MACHINE LEARNING SPECIALIZATION

- **2022**
 - Supervised Machine Learning: Regression and Classification
 - Advanced Learning Algorithms
 - Unsupervised Learning, Recommenders, Reinforcement Learning

DEEP LEARNING SPECIALIZATION

- **2023**
 - Structuring Machine Learning Projects
 - Improving Deep Neural Networks: Hyperparameter Tuning, Regularization and Optimization
 - Neural Networks and Deep Learning
 - Convolutional Neural Networks
 - Sequence Models

SKILLS

- *Python for Data Analysis*
- *Python for Machine Learning*
- *Python for Deep Learning*
- *Python for Backend Developing (Django)*
- *PostgreSQL*
- *FrontEnd Basics (HTML, CSS, JavaScript)*
- *Java Basics*
- *C++ Basics*

LANGUAGE

- *English - Upper Intermediate (B2) IELTS Band 6.5*
- *Kazakh - Native*
- *Russian - Advance*

EXPERIENCE

- *Center for Information Technologies and Service NIS - Intern (Data Scientist)*
- *Extrum.io - Intern (Backend Developer)*
- *Astana IT University (Internship) - Web Developer*
